

FREQUENTLY ASKED QUESTIONS

My child is enrolled in Neighborhood School (NS) – how does my child get to NS after KASEP Class?

If your child is enrolled in NS, KASEP staff will provide the escort back to NS after the KASEP class is over.

If your child is enrolled in the late KASEP class, KASEP staff will sign your child out of NS and bring him/her down to class and after class, escort them back up to NS.

The system error grade to high or grade to low, is telling you your child is to young or old for the class you are trying to enroll into. Update your child's profile to this year's grade - this impacts kindergarten and third grade students.

Go to your family account and update your child's current school grade information. The system edits on grade not age of child.

Can I register safely online?

We do not keep credit card information on our website; your transaction is secure with 128 bit encryption.

What can I do if I sign up for the wrong class?

Please call the KCC office at 525-0292 Monday – Friday (10:00 – 3:00 pm) and we will be happy to transfer you to the correct class (if there is space available).

How do I change pick up authorization information (add or change pick up at the end of class)?

Call the KCC Office to alter authorizations. You cannot do this online after registration is complete.

What is KCC Federal Tax IDS childcare and flexible spending account reporting

KCCs Federal Tax ID # is 94-1491933
