1, 2, 3, Math and Me for Kindergartners

Instructor Vicky Brodt
Location Recreation Building Room C
Tuesdays 1:30-2:20 (50 minute class)
Grade Kindergarten
Class Size 6-7
Cost \$150 (materials provided) 9 week session

This class will reinforce kindergarten math skills in a fun and playful way. We will use games, activities and projects such as Estimation Elimination, Bowling, Yahtzee, the Store game and more that will help kids to retain the math skills that they are learning in school. Come see how much fun math can be!

Art and Bookmaking for Kindergartners

Instructor Elaine Chu
Location Recreation Building Room C
Thursdays 1:30-2:20 (50 minute class)
Grade Kindergarten
Class Size 6-7
Cost \$160 (materials provided) 9 week session

Join a fun introduction to book arts with hands-on projects such as pop-up cards, 3-D castles, rainbow accordions, fluttering flag books, and more! We'll combine a bit of story-time along with creative time by sharing inspiring books and then constructing and illustrating our own. New projects throughout the year!

Artful Animals for Kindergartners

Instructor Carey Piech
Location Recreation Building Room A`
Wednesdays 1:30-2:20 (50 minute class)
Grade Kindergarten
Class Size 6-7
Cost \$145 (materials provided) 9 week session

In this class, we'll learn about animals and then create artful animals! We'll start each day with close observation of an animal – in a photograph, model, children's book, historic artwork or even on our nearby hillside! Then, we'll step into the art studio to make our creations. We'll explore a wide variety of art materials and techniques, including paint, clay, recycled and natural materials, collage, printing, construction and more!

Critter Adventures for Kindergartners

Instructor Carey Piech
Location Recreation Building Room B
Thursdays 1:30-2:20 (50 minute class)
Grade Kindergarten
Class Size 6-7
Cost: \$140 (materials provided) 9 week session

Did you know that animals live in pinecones, under rocks, inside bark and under leaves? They leave footprints and curious signs of their presence. Animals are all around us and lead fascinating, busy lives. In this class, we will explore the hillsides around the school, create habitats for observing small critters we collect and keep a nature journal of all of our discoveries. Let's go adventuring together!

Drawing with Pastels for Kindergartners

Instructor Jeanne Rehrig
Location Recreation Building Room CC1
Wednesdays 1:30-2:20 (50 minute class)
Grade Kindergarten
Class Size 6-7
Cost \$145 (materials provided) 9 week session

Join Jeanne as we explore the possibilities of making art with oil pastels. Students will start with some basic drawing techniques, then let their imaginations run wild. By focusing on basic shapes it's easy to create a work of art that's interesting to young students. Plus, the intense colors of oil pastels are a turn on for anyone. So, dress ready to get dirty - fingers and palms and who knows - maybe toes! Jeanne is a familiar face from working up at Neighborhood School. She is a talented and gifted artist who loves working with kinders.

Finger Knitting and More for Kindergartners

Instructor Walmaria Caldas
Location Recreation Building Room A
Fridays 1:30-2:20 (50 minute class)
Grades Kindergarten
Class size 6-7
Cost \$145 (materials provided) 9 week session

Know how many ways you can manipulate yarn to create artful creations? Lots! Boys and girls alike are invited to come learn about how versatile and amazing yarns & other natural fibers can be. We will create small, everyday objects such as pouches, wall hangings and bracelets. Having fun with fibers also helps develop fine motor skills, learn about patterns, and develop concentration skills.

Kids Can Help Planet Earth for Kindergartners

Instructor Veronica Medina-Ross
Location Recreation Building Room A
Mondays 1:30-2:20 (50 minute class)
Grade Kindergarten
Class Size 6-7
Cost \$145 (materials provided) 9 week session

Through environmental science, young children will learn about taking care of our home, Planet Earth. This program will help kids understand their relationship to the environment by engaging them in fun hands-on activities. Songs, art projects and stories will help encourage hands-on investigations about the wonders, why's of events and characteristics of living and non-living things in our local and global environment. We will take a field trip to Blake Gardens and walk outside investigating the Kensington park area.

Kitchen Kids for Kindergartners

Instructor Pascale Roger-McKeever
Location Community Center Kitchen
Fridays 1:30-2:20 (50 minute class)
Grade Kindergarten
Class Size 6-7
Cost \$150 (materials provided) 9 week session

This hands-on cooking class is fun, delicious, and healthy! The heart of cooking with kindergartners is having a positive experience with healthy foods. Children will learn that good food is delicious and that cooking is an important way to take care of oneself. Pascale follows recipes sometimes (!), uses fresh ingredients and makes the food look like art.

Muffin Madness for Kindergartners

Instructor Vicky Brodt
Location Kitchen, Community Center
Mondays 1:30-2:20 (50 minute class)
Grade Kindergarten
Class Size 6-7
Cost \$145 (materials provided) 9 week session

Muffin Madness: Ever wonder what you can use a muffin pan for besides muffins? Come and find out in ‘Muffin Madness’ cooking! There will definitely be muffins, but we might also make cupcakes, biscuit bundles, tarts and a few surprises!

Tennis for Kindergartners

Instructor Kim Roots
Location Tennis Courts (Community Center Main Room on rainy days)
Mondays 1:30-2:20 (50 minute class)
Grade Kindergarten
Class Size 6-7
Cost \$155 (equipment provided) 9 week session

In this fun and active class, young tennis students are taught the basics of tennis in a fun environment that emphasizes lots of movement and hand-eye coordination. Cooperation and sportsmanship are always emphasized. Rackets are provided.
