

KASEP

Kensington After School Enrichment Program

Fall 2021 Session

1, 2, 3, Math and Me for Kindergartners

Instructor Vicky Brodt
Location Recreation Building Room C
Wednesday 1:30-2:20
Class Size 6-7
Cost \$245 (materials provided) 13 weeks

This class will reinforce kindergarten math skills in a fun and playful way. We will use games, activities and projects such as Estimation Elimination, Bowling, Yahtzee, the Store game and more to help kids retain the math skills they are learning in school. Come see how much fun math can be!

Critter Adventures for Kindergartners

Instructor Carey Piech
Location Recreation Building Room B
Thursday 1:30-2:20
Class Size 6-7
Cost \$215 (materials provided) 12 weeks

Did you know that animals live in pinecones, under rocks, inside tree bark, and under leaves? They are all around us and lead fascinating, busy lives. In this class, we'll explore the hillsides around the school, observe animals in their habitats, and keep a nature journal. Outdoor animal discoveries will be paired with stories, games, and art projects.

Dance and Fitness Fun for Kindergartners

Instructor Karma Smart
Location Community Center Main Room
Friday 1:30-2:20
Class Size 10-12
Cost \$ 285 13 weeks

Get kids moving, increasing strength & flexibility, and working on coordination & balance while dancing and having fun! From tumbling, to games, and challenge activities, the class will move along in a program influenced by dance, gymnastics, and fitness flare!!!! With healthy hearts and active minds students will grow their "I can" attitudes while working on body awareness and gross motor development. Utilization of individual mats, personal hula hoops, and other props will be used.

Early Reading Fun for Kindergartners

Instructor Vicky Brodt
Location Community Center Room 3
Thursday 1:30-2:20
Class Size 6-7
Cost \$220 (materials provided) 12 weeks

A lifelong love of reading is the door to adventure. This class will help set your child on that adventure. Fun projects and activities will help develop and reinforce early reading skills. Each week the class will start with a reading circle. Your child is encouraged to bring a favorite book, when it's their week to share. We will focus on letter recognition, letter sounds, rhyming, reading comprehension, story structure and more. Kindergartners of all reading abilities are welcome.

Eco Kids for Kindergartners

Instructor Veronica Medina-Ross
Location Recreation Building Room B
Monday 1:30-2:20
Class Size 6-7
Cost \$185 (materials provided) 11 weeks

Through environmental science, young children will learn about taking care of our home, Planet Earth. This program will help kids understand their relationship to the environment by engaging them in fun hands-on activities. Songs, art projects and stories will help encourage hands-on investigations about the wonders, why's of events and characteristics of living and non-living things in our local and global environment. We will take a field trip to Blake Gardens and walk outside investigating the Kensington park area.

Gymnastics for Kindergartners

Instructor Bindy Baker
Location Community Center Main Room
Tuesday 1:30-2:20
Class Size 14-16
Cost \$255 (materials provided) 13weeks

One-time annual administrative fee for all new students is \$52. The administrative/insurance fee will be added to your online registration payment. You will see a \$52 charge at checkout.

Class provides an introduction to gymnastics with a focus on flexibility, strength and basic skills such as cartwheels, handstands and bridge kickovers, as well as basic bar, beam and vault technique. Students should wear loose clothing such as leotards, sweatpants or shorts. Long hair must be tied up in a ponytail.

Hanabi Judo for Kindergartners

Instructor Hanabi Judo Staff
Location Community Center Main Room
Monday 1:30-2:20
Class Size 12-14
Cost \$250 11 weeks

Hanabi Judo: Friendship, Respect, Confidence! Hajime! (Begin!) establishes a strong base of judo technique, culture, and character. We start by learning to introduce ourselves in Japanese. Fun tumbling, jumping and running activities warm us up before we practice our ukemi or falling techniques: Hajime students learn to fall safely and effortlessly.

Judo allows a smaller person to control an opponent bigger and stronger than themselves. We learn to hold a person down with “kesa-gatame” (scarf hold) and we practice throws – where our opponent can be flipped upside-down – on Sensei.

Both a Martial Art and an International Sport, judo teaches controlling your opponent through throws and pins – there is no hitting or kicking. It is very safe and yet very effective. It is also one of the world’s most popular sports, found at school physical education programs in Japan, France, Brazil and many other countries.

Every Hajime class finishes with games that develop physical coordination, balance and laughter. We sing in Japanese about inspiration and bow to each other respectfully. Then we say "arigato," thank you. Respect and discipline are as much a part of Hanabi as smiling.

Muffin Madness for Kindergartners

Instructor Vicky Brodt
Location Community Center Kitchen
Tuesday 1:30-2:20
Class Size 6-7
Cost \$255 (materials provided) 13 weeks

Ever wonder what you can use a muffin pan for besides muffins? Come and find out in "Muffin Madness"! There will definitely be muffins, but we might also make cupcakes, biscuit bundles, tarts and a few surprises! And Beyond: We will be creating some recipes without a muffin tin this time.

If your child has some dietary restrictions, don't hesitate to try this class. Vicky is happy to adjust recipes for gluten free, dairy free, and vegetarian diets.

Sports and Games for Kindergartners

Instructor Kim Roots
Location Grassy Field near Recreation Building
Wednesday 1:30-2:20
Class Size 7-8
Cost \$220 (equipment provided) 13 weeks

A unique opportunity for boys and girls to learn and understand the basics of many popular sports, including soccer, baseball, basketball, kickball, and track & field. The class will include the challenge of learning cooperation in large group games as well as the creativity of making up games, all in a warm and active environment.

STEM Using LEGO for Kindergartners

Instructor STEM Staff
Location Recreation Building Room B
Tuesday 1:30-2:20
Class Size 10-16
Cost \$290 (13 weeks)

Ratchet up your imagination with tens of thousands of LEGO® parts! Build engineer-designed projects such as: Fire Trucks, Space Stations, Tugboats, and the Eiffel Tower. Design and build as never before, and explore your craziest ideas in a supportive environment.

Storytelling for Kindergartners

Instructor Jean Ellisen
Location Recreation Building Room C
Tuesday 1:30-2:20
Class Size 6-7
Cost \$205 (materials provided) 13 weeks

Working with Kinders, we will focus on listening and speaking skills, using 'repeat the beat' with various musical instruments each session and movements to accompany age appropriate stories. Most of my storytelling is participatory, and fun. Speaking and listening skills, appropriate to age, will be an integral part of my sessions. Focus on fun.

Tennis for Kindergartners

Instructor Kim Roots
Location Tennis Courts
Monday 1:30-2:20
Friday 1:30-2:20
Class Size 6-7
Cost Mondays \$190 (equipment provided) 11 weeks
Friday \$220 (equipment provided) 13 weeks

In this fun and active class, young tennis students are taught the basics of tennis in a fun environment that emphasizes lots of movement and hand-eye coordination. Cooperation and sportsmanship are always emphasized. Rackets are provided.

Threads, Knots and Stitches: Sewing Skills for Kindergartners

Instructor Vicky Brodt
Location Recreation Building Room C
Friday 1:30-2:20
Class Size 6-7
Cost \$255 (materials provided) 13 weeks

While creating fun projects, kids will learn basic skills required for sewing: scissor skills, knot tying, how to thread a needle, simple stitching skills and more.

CLASSES FOR GRADES 1-6

Fall 2021

NEW FOR FALL KASEP, we will have a bridge activity (Homework Club) beginning right after school only for kids who are enrolled in a later KASEP class that day. There will be an additional fee for this activity and you can only enroll on the day your child has a KASEP class. See Homework Club in class descriptions for more detailed information.

Carpentry for Grades 1-3

Instructor Sandy Thacker
Location Recreation Building Room B
Wednesday 1:50-3:00
Class Size 7-8
Cost \$280 (materials provided) 13 weeks

There's magic in creating something from nothing. You see something you really like, but instead of buying it, you make it yourself. Along the way, you learn new skills, the safe use of a variety of tools, and some practical math. When your project is completed, if it's a paddle boat, a marble maze, a birdhouse, a xylophone, or another item you come up with, it's always a great feeling to take it home to play with or use, or give as a special gift.

Carpentry Workshop for Grades 1-6

Instructor Sandy Thacker
Location Recreation Building Room B
Wednesday 3:10-4:20
Class Size 6-8
Cost \$280 (materials provided) 13 weeks

There is a great satisfaction in working with wood. As you get more adept at working with tools, you can also expand your skills by creating more complex and creative projects, sometimes working from your own designs. When you finish a project, whether it's a pinball machine, a pool table, a xylophone, a stool, a bookshelf, or something else, it's a special feeling to know that you made it yourself to use or to give as a wonderful present to family or friends.

Chocolatier Creations and Decorations for Grades 1-3

Instructor Vicky Brodt
Location Community Center Kitchen
Thursday 2:30-3:40
Class Size 6-8
Cost \$235 (materials provided) 12 week session

Chocolate, Chocolate and more Chocolate! Let's have fun learning to work with chocolate. Truffles, dipped treats, cookies, chocolate mousse and cakes for sure; but we will also discover some other unusual things to make with chocolate. How about chocolate pasta or chocolate molé chicken tacos? Come enjoy the chocolate fun. Parents: be aware there will be sweet treats in this class.

Chocolatier Creations and Decorations for Grades 2-6

Instructor Vicky Brodt
Location Community Center Kitchen
Thursday 3:50-5:00
Class Size 6-8
Cost \$235 (materials provided) 12 week session

Chocolate, Chocolate and more Chocolate! Let's have fun learning to work with chocolate. Truffles, dipped treats, cookies, chocolate mousse and cakes for sure; but we will also discover some other unusual things to make with chocolate. How about chocolate pasta or chocolate molé chicken tacos? Come enjoy the chocolate fun. Parents: be aware there will be sweet treats in this class.

Coding Frenzy - Introduction to Programming using Scratch for Grades 1-3

Instructor CoderSchool Staff
Location Recreation Building Room B
Friday 2:30-3:40
Class size 8
Cost \$335

We will be using Scratch (developed at MIT) to introduce curious kids to the world of coding through the use of animation, music and games. Scratch/Snap! are drag and drop coding platforms that set the foundation for logical thinking - an essential skill that contributes to success in school, sports, and in today's tech-driven world. Students will gain general skills like problem solving, teamwork, code debugging, and perhaps most importantly, will learn and practice the logical thinking skills required to program a computer at any level! In addition students will gain and practice important coding concepts including:- Variables, Loops, If/Then Logic, Cartesian Coordinates and Sprite Movement.

Coding: Intro to Python - Introduction to Programming Using Python Grades 4-6

Instructor CoderSchool Staff
Location Recreation Building Room B
Friday 3:50-5:00
Class size 8
Cost \$335

Who's ready for some Python? Take advantage of the easy-to-read style of coding while picking up on one of the most popular languages today for professional and beginner coders alike. We'll start out by using online python platforms to learn some basics and practice some fundamental concepts. Then the class will move on to some more complex Python coding and introduce students to PyGame, a python library for using Python to code games. Students will gain general skills like problem solving, code debugging, and perhaps most importantly, will learn and practice the logical thinking skills required to program a computer at any level! Students will gain experience in:- An introduction to a typed language, for those who have only used Scratch.
- Python syntax (loops, variable, structure, etc), Function calls and Cartesian Coordinates through Python.

Cooking Around the World for Grades 4-6

Instructor Vicky Brodt
Location Recreation Building Room C
Wednesday 3:10-4:20
Class Size 6-8
Cost \$255 (materials provided) 13 week session

We will "travel around the world" as we cook traditional recipes from around the world. Some recipes may be familiar and others will be new and different, but all of them will be yummy. Each child will have a cookbook filled with the recipes we cook to take home at the end of the session.

Dance and Fitness Fun for Grades 1-5

Instructor Karma Smart
Location Community Center Main Room
Friday 2:30-3:40 Grades 1-3
Friday 2:50-3:40 Grades 4-5
Class Size 10-12
Cost \$285 13 weeks

Get kids moving, increasing strength & flexibility, and working on coordination & balance while dancing and having fun! From tumbling, to games, and challenge activities, the class will move along in a program influenced by dance, gymnastics, and fitness flare!!!! With healthy hearts and active minds students will grow their "I can" attitudes while working on body awareness and gross motor development. Utilization of individual mats, personal hula hoops, and other props will be used.

Environmental Science for Grades 2-5

Instructor Veronica Medina-Ross
Location Recreation Building Room B
Monday 2:30-3:40 Grades 2-3
Monday 2:50-3:40 Grades 4-5
Class size 6-8
Cost \$195 (materials provided) 11 weeks

This science program is based on learning through exploration and experimentation. With fun hands-on experiments and activities, students will learn about our planet systems. Kids will learn the scientific process while creating inspiring and surprising results. Examples of topics to be covered are climate change, water, ecosystems, and habitats on Earth. At the end of the program, students will be more aware of ways they can contribute to the protection of our planet.

Gymnastics for Grades 1-3

Instructor Bindy Baker
Location Community Center Main Room
Tuesday 2:30-3:40
Class size 12-16
Cost \$255 (all equipment provided)

One-time annual administrative fee for all new students is \$52. The administrative/insurance fee will be added to your online registration payment. You will see a \$52 charge at checkout.

Class provides an introduction to gymnastics with a focus on flexibility, strength and basic skills such as cartwheels, handstands and bridge kick overs, as well as basic bar, beam and vault technique. Students should wear loose clothing such as leotards, sweatpants or shorts. Long hair must be tied up in a ponytail.

Hand Sewing and Fabric Arts for Grades 2-6

**Instructor Vicky Brodt
Location Recreation Building Room C
Friday 2:30-3:40 Grades 2-3
Friday 2:50-3:40 Grades 4-6
Class size 6-8
Cost \$255 (materials provided) 13 weeks**

Join in the fun of sewing! This is the class where boys and girls learn basic sewing skills as they make small items such as bookmarks, coin purses and puppets. Returning students will expand their skills while making more complex items like small balls, little quilts and even stuffed teddy bears. There are always new projects for each session.

Homework Club for Grades 1-6

THIS CLASS IS ONLY AVAILABLE FOR STUDENTS WHO ARE TAKING A LATER KASEP CLASS THAT DAY.

**Location Recreation Building Room A
Offered every day Monday through Friday 2:30-3:40 (Wednesday 1:50-3:00)
Grades 1-6
Cost Monday \$110, Tuesday \$130, Wednesday \$130, Thursday \$120, Friday \$130**

New this Session - Homework club offers a bridge activity for students that attend a later KASEP class. Homework Club is a place for students to work on their homework, reading and other projects in a casual setting. Students can work collaboratively and quietly discuss their work. They'll be able to seek support from their peers and the teacher.

Machine Sewing for Grades 4-6

**Instructor Vicky Brodt
Location Recreation Building Room C
Friday 3:50-5:00
Class size 6-8
Cost \$255 (materials provided) 13 weeks**

In addition to hand sewing, in this class boys and girls learn how to use a sewing machine! This ability gives them yet another lifelong skill. In each session projects such as pillows, drawstring bags, and quilts are selected to suit students' levels and interests. As skills expand, students can make their own sewing ideas become reality.

Mixed Media Masterpieces for Grades 1-3

Instructor Vicky Brodt
Location Recreation Building Room C
Monday 2:30-3:40
Class Size 6-8
Cost \$220 (materials provided) 11 weeks

Ignite children's imaginations and innate artistic abilities. Create one of a kind masterpieces using a huge variety of materials. Class projects may include: print making, metal engraving, journals, art using recycled materials, macramé, mosaic and much more.

Ignite children's imaginations and innate artistic abilities. Create one of a kind masterpieces using a huge variety of materials. Class projects may include: print making, metal engraving, journals, art using recycled materials, macramé, mosaic and much more.

Muffin Madness and Beyond for Grades 1-3

Instructor Vicky Brodt
Location Community Center Kitchen
Tuesday 2:30-3:40
Class Size 6-8
Cost \$260 (materials provided) 13 weeks

Sure, muffins are on the menu, but the "madness" is that everything we make will be in a muffin tin. From mini "A"pple pies to "Z"esty lemon tarts and lots of savory and sweet treats in between. Kids use math and science skills while absorbing the language of cooking. The treat comes at the end of class when our creations get to be devoured! And Beyond: we will be creating some recipes without a muffin tin this time. Students who have taken Muffin Madness in the past will discover some yummy new recipes and cooking skills. If your child has some dietary restrictions, don't hesitate to try this class. Vicky is happy to adjust recipes for gluten free, dairy free, and vegetarian diets.

Skyhawks After School Basketball for Grades 2-6

Instructor Victor Morton
Location Basketball Court
Wednesday 3:10-4:20
Class Size 10-16
Cost \$255 (equipment provided) 13 weeks

This fun, skill-intensive program is designed for beginning to intermediate players looking to take the next step in basketball. Participants learn the fundamentals of dribbling, passing, shooting, rebounding, and defense, in addition to the rules, strategies, and play-calls of the game. Our age-appropriate drills and games teach young athletes skill development as well as vital life lessons including leadership, teamwork, and sportsmanship. At the end of this program your child will show you why this is one of our most popular programs.

Skyhawks Sports F.A.C.E.S. (Footwork, Agility, Conditioning, Endurance Speed) for Grades 1-3

Instructor Victor Morton
Location Grassy Field near Recreation Building
Tuesday 3:50-5:00
Class Size 10-16
Cost \$255 (equipment provided) 13 weeks

This class begins at 3:50 if you need a bridge activity for your student check out Homework Club.

Skyhawks F.A.C.E.S. provides a safe and positive environment where children can discover a passion for how to move in an efficient and effective way. Our primary development objectives include core strength, running, jumping, throwing, catching, hitting, dribbling, passing, shooting, balance, body movement, hand/foot-eye coordination, self-esteem, and teamwork!
