Campers will be grouped in pods of 12-15 based on age and, when possible, with friends. Each day will kick off with a craft or other guided activity. Our dedicated staff will bring some cooking magic to life in the community center's kitchen and at our outdoor BBQ. Campers will also enjoy weekly tennis instruction, while our enthusiastic and well-trained counselors lead a variety of sports and games—ensuring plenty of laughter, teamwork, and exciting adventures.

KCC Summer camp is a mostly outdoor day camp focused on fun and creativity, welcoming campers with diverse abilities for over 30 years. We provide a variety of activities and group experiences, ensuring safety and inclusivity. Families are encouraged to share any learning differences with us prior to the start of camp so we may better support each camper. If a child's needs exceed our capacity, we will make every effort to find a solution. Dismissals due to behavioral issues may qualify for a partial refund.

- All program participants should bring a daily nut-free lunch and morning snack.
- Every Friday is a camp BBQ and lunch will be provided.
- Camp participants should arrive with 1 full water bottle.
- Campers should always bring layers since we will be limiting indoor time, please pack a jacket.
- Campers should come with sunscreen applied and we will reapply midway through the day.

To participate in the KCC Summer Camp, each family must have an online account with our registration software provider - **CivicRec**.
