An Important Message to Parents FALL 2025 Session

All Hilltop students, grades 1-6, walk themselves down the hill to attend KASEP classes. KCC staff will be at the flagpole in front of Hilltop School for *the first two weeks of each session* to help guide young or first time students to their KASEP classes.

Please take a moment at registration to let us know if your child has any learning differences, challenges or fears that may help us better foster their individual needs. Or you can call or email us anytime at:
info@KensingtonCommunityCouncil.org

Kindergarten enrichment classes every day after school from 1:30-2:20

We will be offering several classes for Transitional Kindergartners this session:

Monday: Olympic Sports for K and TK

Tuesday: Music and Fun for TK only

Wednesday: Reading Adventures for K and TK; Multi Sports for TK only

Thursday: Mindfulness Yoga class for K and TK

Friday: Playground Olympics for K and TK

KASEP kindergarten teachers pick up the kindergarten and TK students directly from their Hilltop school classroom and walk them to their KASEP classroom (just down the hill). Kindergartners and Transitional Kindergartners must be signed out after their KASEP class by parent or guardian. KASEP staff will return students to Neighborhood School, Hearts Leap, and LLS aftercare programs if noted at registration.

Students in grades 1-6 attending Love, Learning Success (LLS) will need to check in with LLS at the Hilltop MPR after school and then they will be taken down to their KASEP classes.

2025 FALL KASEP

CLASSES START: Monday, September 8

Fri. November 7; Wed. November 12; Fri. November 21; Fri. December 19**

PHOTO RELEASE

Occasionally KCC may take photos of students or their work and publishes it in the Outlook, our local newspaper or online as part of our brochure and for public relations purposes. We will not publish the names of students.

CLASS PRICES

KASEP class prices include credit card fees, materials fees, instructor fees and administrative costs. The price of the class varies based on the length of the class and the number of weeks the class meets during the session.

FALL CLASSES: 11 Mondays, 13 Tuesdays, 14 Wednesdays, 14 Thursdays and 14 Fridays.

WAITLIST

Once a class is fully enrolled, you may put your child on the waitlist for that class. No payment is required when you are waitlisted. If there is a cancellation, the first person on the waitlist will be notified and given 24 hours to respond. Waitlist does not roll over to the next school year.

SCHOLARSHIP INFORMATION AND DONATIONS

To apply for a scholarship visit our website at KensingtonCommunityCouncil.org. Deadline for scholarship applications is Monday, September 15. Late submissions may be granted at a later date if funds are available.

KASEP offers more than 70 different classes per week for children ages 5–12. The Scholarship Donation Fund offers access to families who would not otherwise have the opportunity to enroll in a KASEP class without your generosity and kindness.

It is only with your financial support that KCC can sustain this commitment to help provide scholarships to others. Donations are accepted by check, cash or credit card.

PAYMENT

KASEP classes are filled on a space available basis, first come first serve. Most classes require you to register before the first day of instruction.

Payment is due at registration.

Credit Card: We accept Visa, MasterCard and Discover

If you owe money from a previous session, you cannot enroll in KASEP until your outstanding balance is paid.

CREDIT AND REFUND POLICY

Classes not meeting the minimum required enrollment, will be cancelled and the enrollment fee will be refunded back to your credit card.

Students may drop a class the first week. There is a non-refundable processing fee of \$25.00 PLUS 5% for credit card processing fees for any class dropped. Withdrawal reimbursement will be refunded back to your credit card.

No refunds are given for students who drop out of class after the first week.

Credit – students who withdraw from a KASEP class the first week can request a user credit. This credit may be applied to future KASEP enrollments. Credit is valid for 6 months. The \$25 fee for withdrawal will not be applied to user credits.

ONLINE

Please visit www.KensingtonCommunityCouncil.org to register online. KCC requires immediate payment so make sure you have your credit card handy.

RETURNING USERS: Update Family Account Information:

You can update your family account information at any time. It is recommended you update family account information prior to the KASEP Registration date to save time.

1. Update your family account: add or remove children
2. Update contact information: emails, telephone numbers
3. **CRITICAL**: Your child's grade must be up-to-date. Certain classes have eligibility requirements which may not allow you to register online and on time.
4. Emergency Contact Name (other than parent)
5. Medicines, Allergies Medical Needs and Learning Differences

NEW USERS: Create a Family Account

- Online Registration: www.KensingtonCommunityCouncil.org
- **Family Account** – one account per family. Required information:
Address, Cell Phone Number, Email address,
Child's name and grade

Auto filled Responses: During registration and after you select your class(es), continue to checkout, the system prompts you for additional information:

- Authorized to Pick up after class – self, parent?
- Emergency Contact Name and cell phone number (other than parent)
- Important Information: Medicines, Allergies and Medical Needs, Learning Differences, Dietary Restrictions

Complete this information for each child. The system will pre-fill this information next time you register. You are able to update auto-pre-fill data during registration. The system will not allow you to change the information after you check out.

After registering, if you want to make changes to pre-filled information, you must contact the KCC Office.

REGISTERING FOR CLASSES

1. Browse for classes. Kindergarten classes are listed separately and are in alphabetical order by class title; Grades 1-6 classes are listed alphabetically.
2. Add the class(es) you want and put them in your cart, **for each child**. Once you have the class in your cart, your child's name goes onto the class roster. You have 15 minutes to complete your transaction (paid and checked out). If longer than 15 minutes, the system removes your child from the class.
3. Need Minimum Day coverage? Sign up online.
4. KCC Scholarship Donation Fund - Help families who demonstrate need for financial assistance to enroll in one KASEP Class. You can donate any amount during checkout.
5. Check Out: pay with Visa, MasterCard or Discover credit card.

A WORD OR TWO ABOUT OUR KASEP TEACHERS

BINDY BAKER [Gymnastics] is the daughter of our long-time gymnastics teacher, Judy Baker. Bindy is a highly experienced and well trained former gymnast. She has been a gymnastics instructor and a pre-school teacher for over 20 years. Bindy is patient and loves teaching children. Her mom and auntie will join her—both are former gymnasts and have been teaching KASEP gymnastics for nearly 20 years.

SEAN BRODT [World of Tabletop Role Playing Games, Magic Advanced, Beginning Carpentry, Homework Club], supervises our Homework Club. He is also a gamer and wants to share his enthusiasm and skills with both beginning and more advanced gamers. Last year Sean began assisting Sandy in her carpentry class and is now offering his own class for Beginners.

VICKY BRODT [Cooking, Mixed Media Art, Reading, and Sewing] has a Bachelor's Degree in Early Childhood Education and has taught preschool for over 15 years. She also received a certificate in Landscape Horticulture and does small-scale landscape projects. She owns a small business called the "Whimsical Rooster" where she sells handmade fabric items. Vicky loves to share her enthusiasm for cooking and crafting with kids of all ages.

GERI ENGBERG [Improv] has been teaching improv classes and workshops to young children, teens, adults and seniors in the Bay area for the past 11 years. She has experience in a wide variety of settings, including classrooms, after school programs, libraries, and summer camps. She trained at ImprovBoston in Cambridge, Massachusetts, where they teach and perform classic short form improv.

LEAH FORREST [American Sign Language, Homework Club] is a Kensington Hilltop Alumni and has been helping kids in Homework Club at KASEP for the past few years. She has a BA degree in Elementary Education and enjoys working with kids of all ages. American Sign Language (ASL) has been a passion of Leah's since elementary school. Since graduating from college, Leah has been taking full immersion ASL classes to complete her AA degree in sign language.

LORI HESS [Mindfulness Yoga] is a kids' yoga teacher who has a Master's Degree in Special Education from the University of San Francisco and was certified to teach children's yoga by "It's Yoga Kids". She loves to plant the seeds for a solid foundation and life-long love of yoga by helping children develop strong, flexible, and peaceful bodies and minds. She founded Way to Glow Kids Yoga and has taught yoga to children from toddler through teen.

GABY LOHNER [Lacrosse] is a PhD student at UC Berkeley who has been playing lacrosse for over 15 years. She is excited for Fall Ball because it is a great time to work on key lacrosse skills and introduce new players to the game!

IAN MCAVOY [Off the Block S.T.E.M. with LEGO®] provides students with a hands-on, engaging, and educational experience that fosters a deep understanding of STEM concepts while nurturing creativity, problem-solving skills, and teamwork. Ian is always finding new, innovative ways to use LEGO® to teach complex STEM concepts in a fun and accessible way as well as staying up-to-date with the latest trends and developments in STEM education and LEGO. He hopes his program will inspire the next generation of scientists, engineers, and innovators!

DOUG MCNEELY [Circus Arts]. Slim the Clown (Doug McNeely) has been performing and teaching Circus Arts for the last 15 years. He has toured the US and Europe, and has taught at many schools and parks and recreation centers.

SIERRA PARKS [Nature Explorers] is a KCC Summer Camp Counselor. She has a deep love for plants and the natural world. She is excited to bring her two passions together to teach this hands on nature and crafts workshop at KASEP.

JEANNE REHRIG [Pastel Art; Creative Clay] holds an MFA from the San Francisco Art Institute and has an active fine arts practice. She has spent years teaching art to children in San Francisco and the East Bay. She's worked in galleries, had a career as a textile designer and spent year working as a teacher and administrator at Neighborhood School.

DAN SEGUIN [Tennis], a Bay Area native, has been teaching tennis to kids and adults for over 20 years, bringing energy, patience and a passion for the game at every level. He has previously coached for the City of Piedmont and continues lessons at the City of Berkeley, helping players of all ages develop their skills and confidence. We're excited to welcome Dan to the KASEP team!

MELITA SILBERSTEIN [Music and Fun for TK] is a musician and music teacher based out of Berkeley. She has taught music to children in schools, libraries, and venues for families all over the Bay for two decades. She is also the founding member of the popular band for kids, Octopretzel. To learn more about Melita visit melitamusic.com.

SANDY THACKER [Carpentry] has taught carpentry to kids for 40 years. Sandy, who has a Master's Degree in Education from Stanford University, taught high school and middle school, and then worked for several years as a carpenter. She has developed a wonderful and very successful program for teaching woodworking skills to children.

RUBAB (a.k.a. Babo) WAHEED [Cooking and Community] is the heart behind Babo's Kitchen. With a background in the food and beverage industry, Rubab blends her love for cooking with her passion for building community. She believes food is more than just nourishment—it's a way to tell stories, bring people together, and create lasting memories. You can find her pantry staple products in local stores like Of all places, Elaichi co, Hella bagels or online at www.baboskitchen.com

American Sign Language for Grades 3-6 - Introductory/Intermediate

Instructor Leah Forrest
Location Recreation Building Room A
Thursday 3:50-5:00
Class size 6-8
Cost \$305 (14 weeks)

In this American Sign Language (ASL) class, we will learn the basic signs through games and art projects and continue more advanced signing for returning students. The class will cover both letter signs and numbers up to 100 as well as common sentences and phrases used to communicate between friends.

Beginning Carpentry for Grades 2-3

Instructor: Sean Brodt
Location: Recreation Building Room B
Thursday 2:30-3:40
Class Size 6
Cost \$390 (materials provided) 14 weeks

In this class, kids can make name boards, cars, boats, trucks, and planes, boxes and doll houses, marble mazes and pinball machines—all out of wood using real carpentry tools. Sean has been assisting Sandy in her classes this year, and is ready to teach a class on his own. He's very patient and encouraging to new young carpenters. They are always thrilled to take home a project they built themselves.

Carpentry for Grades 1-3

Instructor Sandy Thacker
Location Recreation Building Room B
Wednesday 2:30-3:40
Class Size 6-8
Cost \$395 (materials provided) 14 weeks

There's magic in creating something from nothing. You see something you really like, but instead of buying it, you make it yourself. Along the way, you learn new skills, the safe use of a variety of tools, and some practical math. When your project is completed, if it's a paddle boat, a marble maze, a birdhouse, a xylophone, or another item you come up with, it's always a great feeling to take it home to play with or use, or give as a special gift.

Carpentry Workshop for Grades 3-6

Instructor Sandy Thacker

Location Recreation Building Room B

Wednesday 3:50-5:00

Class Size 6-8

Cost \$395 (materials provided) 14 weeks

There is a great satisfaction in working with wood. As you get more adept at working with tools, you can also expand your skills by creating more complex and creative projects, sometimes working from your own designs. When you finish a project, whether it's a pinball machine, a pool table, a xylophone, a stool, a bookshelf, or something else, it's a special feeling to know that you made it yourself to use or give as a wonderful personal gift.

Chocolate Creations for Grades 1-3

Instructor Vicky Brodt

Location Community Center Kitchen

Wednesday 2:30-3:40

Class Size 6-8

Cost \$370 (materials provided) 14 week session

Chocolate Creations for Grades 2-6

Instructor Vicky Brodt

Location Community Center Kitchen

Wednesday 3:50-5:00

Class Size 6-8

Cost \$370 (materials provided) 14 week session

Chocolate, Chocolate and more Chocolate! Let's have fun learning to work with chocolate. Truffles, dipped treats, cookies, chocolate mousse and cakes for sure; but we will also discover some other unusual things to make with chocolate. Parents: be aware there will be sweet treats in this class.

Coding Frenzy - Introduction to Programming using Scratch for Grades 2-3

Instructor CoderSchool Staff
Location Recreation Building Room B
Friday 2:30-3:40
Class size 10-15
Cost \$390 (14 weeks)

Your aspiring coder will be introduced to the fundamentals of coding and computer programming by creating animated stories, art and games using Scratch (developed at MIT). Scratch is a drag-and-drop platform that allows young programmers to play and build with sprites and blocks while setting a foundation for logical thinking. Using a project-based curriculum, students will learn and practice important coding concepts such as: variables, loops, if/then/else logic and Cartesian coordinates. Students will gain general skills like problem solving, teamwork, code debugging, and perhaps most importantly, will learn and practice the logical thinking skills required to program a computer at any level.

Instructor CoderSchool Staff
Location Recreation Building Room B
Friday 3:50-5:00
Class size 10-15
Cost \$390 (14 weeks)

Take advantage of the easy-to-read style of coding while learning the power of Python, a programming language for professional and beginner coders alike. We'll start out by using an online python platform to learn and practice some fundamental concepts. Then we will move on to using different Python libraries, including Python Turtle for creating art and PyGame for building simple 2D games. Students will gain general skills like problem solving, code debugging, and perhaps most importantly, will learn and practice the logical thinking skills required to program a computer at any level! This will be an introduction to a typed language, for those who have only used Scratch previously.

THIS CLASS IS ONLY AVAILABLE FOR STUDENTS WHO ARE TAKING A LATER KASEP CLASS

Location Recreation Building Room A
Offered every day Monday through Friday after school until 3:40
Grades 1-6
Cost Monday \$132, Tuesday \$156, Wednesday \$168 Thursday \$168 Friday \$168

Homework Club offers a bridge activity for students that attend a later KASEP class. Homework Club is a place for students to work on their homework, reading and other projects in a casual setting. Students can work collaboratively and quietly discuss their work. They'll be able to seek support from their peers and the teacher.

Due to concerns over increased screen time during Homework Club, students will no longer be allowed to use computers or phones during this time, unless they are making a phone call with staff permission. Not all students have homework but we ask that the first 20 minutes of each day is a dedicated time for reading, writing, studying, and completing assignments.
