Carpentry for Grades 1-3

Instructor Sandy Thacker
Location Recreation Building Room B
Wednesday 2:30-3:40
Class Size 6-7
Cost \$380 (materials provided) 12 weeks

There's magic in creating something from nothing. You see something you really like, but instead of buying it, you make it yourself. Along the way, you learn new skills, the safe use of a variety of tools, and some practical math. When your project is completed, if it's a paddle boat, a marble maze, a birdhouse, a xylophone, or another item you come up with, it's always a great feeling to take it home to play with or use, or give as a special gift.

Carpentry Workshop for Grades 3-6

Instructor Sandy Thacker
Location Recreation Building Room B
Wednesday 3:50-5:00
Class Size 6-8
Cost \$380 (materials provided) 12 weeks

There is a great satisfaction in working with wood. As you get more adept at working with tools, you can also expand your skills by creating more complex and creative projects, sometimes working from your own designs. When you finish a project, whether it's a pinball machine, a pool table, a xylophone, a stool, a bookshelf, or something else, it's a special feeling to know that you made it yourself to use or give as a wonderful personal gift.
